

About NoW Partners ([Webpage](#) – [LinkedIn Page](#))

NoW Partners is an independent consulting firm that provides a comprehensive range of services, including assistance in matters pertaining to Consulting, Regulatory Compliance, Governance, Internal Audit, and Risk Management to entities within the Financial Sector.

We are currently actively looking for a **Consultant** to join our Team.

**Your role:**

- You will contribute to the implementation of compliance monitoring programs, being involved in the day-to-day management of Compliance and AML/CFT functions;
- You will support major actors of the banking and financial industries in Luxembourg on Governance, Regulatory Compliance, and AML/CFT-related tasks – you will prepare opinions, advice, and recommendations on regulatory and compliance matters;
- You will be engaged in internal controlling functions, including on-site visits and off-site controls of our clients;
- You will assist the Managers and/or Senior Consultants in conducting a risk assessment, business analysis, sample testing, and draft reports to the attention of the Board of Directors of our clients and the attention of the financial authority;
- You will follow and study the legal and regulatory developments at the International, European, and Luxembourgish levels in order to inform and advise our clients;
- You will participate in the drafting, design, and review of internal policies and procedures governing the organization and functioning of banks, investment entities, management companies, and funds;

**Your profile:**

- You have a Master's degree in Law, Management, Business Administration, Finance, Economics, Auditing, Engineering or equivalent;
- You are professionally fluent both in written and oral English (any other language is considered a plus);
- You have excellent communication skills, both in written and verbal form;
- Some knowledge of AML/CTF principles with an understanding of internal controls and testing, or some experience in Legal, Compliance, or AML/CFT department (internships included) would be highly appreciated, although it is not mandatory;
- **You live in or are willing to relocate to Luxembourg / Greater Region (this is a must).**

**We offer you:**

- The opportunity to evolve in a fast-growing company where your involvement will be rewarded;
- A personal career plan adapted to your centers of interest with real perspectives of evolution;
  - An entrepreneurial and human working experience in which you can express yourself;
  - The opportunity to develop a broad network, working for major actors in the financial industry;
  - A multicultural environment where diversity, talent, and innovation are encouraged;
  - You will learn both the job of a Chief Compliance Officer and the job of an expert Consultant;
  - A positive environment and an attractive salary with advantageous working conditions;
  - The remuneration package shall be commensurate with your professional expertise and level of experience;

**Fringe Benefits**

- 18 meal vouchers per month (face value of EUR 10,80);
- 8 additional leave days per year in comparison to the standard (34 days in total);
- Reimbursement of the gym we have a partnership close to the office;
- Reimbursement of up to EUR 60,00 of your cell phone invoice;

Should this opportunity align with your interests and your qualifications correspond with the job description, we really encourage you to submit your CV to the following email address: [admin@nowpartners.lu](mailto:admin@nowpartners.lu).
